## Soda & Softy

## About Us

Our HIMALAY brand was founded in 1992, with one strategy in mind “customer satisfaction is the absolute key to success”. Since our establishment we have emerged as a reputable and reliable key player for manufacturing best quality Soda Fountain Machines, Soda Flavours, Softy Ice Cream Flavours, Soda Masala as well as supplying Softy Ice Cream Machine and various soda machine related products to all over India.

After having all the success in our machine and flavours manufacturing business we ventured in Soda & Softy Franchise model in 2017, we launched our first HIMALAY Soda & Softy Franchise outlet in Gondal which was a grand success, and after that we expanded the same successful franchise concept to the various cities in Gujarat. Being in the business for over two decades, we have deep knowledge of beverage industry which enables us to innovate and fulfill customer’s demands with the best quality standards.

Currently we have franchise outlets in all the major cities in Gujarat and planning to expand all over Gujarat and India.

## What We Require

- Need a young and dynamic owner who is interested in doing beverage business and he can give atleast 10-12 hours a day at the outlet.
- As per agreement requirement the owner will be the single point of contact for the company and he will be managing 1-2 employee at the outlet as required.
- Need 160 to 300 square feet space nearby Educational, Entertainment, Commercial, Transit or Residential area.
- Outlet owner can use his own property if available or it can be setup on rented property as well.
